

PUT YOUR DAF TO WORK : **FOR AYITI**

“Sak vid pa kanpe”
(An empty sack cannot stand.)

WHAT IS A DONOR-ADVISED FUND?

A **donor-advised fund (DAF)** is a charitable giving account established with a sponsoring 501(c)(3) organization. DAFs are commonly held through the charitable arms of investment firms—such as **Fidelity Charitable, Schwab Charitable, or Vanguard Charitable**—or through **community foundations, like ACT, and other charitable institutions.**

You contribute cash, stock, or other eligible assets to your DAF and generally receive the associated charitable tax benefit at the time of that contribution. Those assets can then be invested for charitable purposes, while you retain **advisory privileges** to recommend grants to eligible nonprofit organizations.

ALREADY HAVE A DAF?
You may have charitable dollars ready to put to work.

THE HOW : THREE(3) SIMPLE STEPS

FROM DAF TO IMPACT

01

CONTRIBUTE

Set aside eligible assets in a DAF; the sponsoring organization administers the account.

02

RECOMMEND

Use your advisory privileges to recommend a grant to an eligible nonprofit.

03

ACTIVATE

Recommend a grant to ACT to support Haitian leadership and locally led solutions.

YOUR GIVING OPTIONS

UNLOCK YOUR DAF. BUILD AYITI'S FUTURE

★ Your DAF can become an investment in Haitian leadership.

Recommend a grant to ACT and choose how you want your charitable dollars to work.

01 SUPPORT THE ORGANIZATION

Invest in the people behind the impact.

Strengthen ACT's people, infrastructure, and greatest organizational needs.

02 SUPPORT THE PROGRAMS

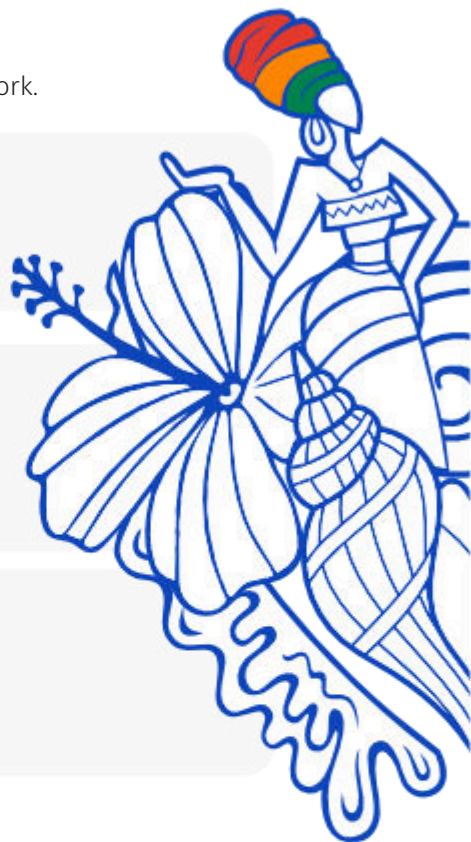

Invest in Haitian-led solutions.

Support Civic Education, Environmental Stewardship, Entrepreneurship, PADE, or ACT's greatest program needs.

03 BUILD THE FUTURE

Invest for generations.

Help build ACT's permanent endowment and a sustainable source of philanthropic capital dedicated to Ayiti.

ONE DAY TO PUT CHARITABLE CAPITAL TO WORK

On October 8, ACT is joining DAF Day—a moment to remind donors that charitable dollars already sitting in donor-advised funds can be activated for impact.

Our goal is simple: **unlock more philanthropic capital for Haitian-led solutions.**
